BECOME A FRIEND OF THE ROYAL IRISH ACADEMY OF MUSIC

The Royal Irish Academy of Music is one of Europe's oldest and most distinguished music conservatoires and serves to nurture and take the lead in the education and performance of classical music. Over a million part-time and full-time students have been taught across almost 30 different disciplines by us in the 160 years since we were established.

At RIAM we train almost 1,700 young people in Dublin from the first steps of their musical education right through to DMus level. We currently have over 1,000 alumni with professional careers in music, appearing on stages throughout the world. Additionally we reach over 42,000 students annually, ranging from 4 to 84 years, through our nationwide examination network. We have developed a country-wide teaching and learning network which reaches every county in Ireland, combining an online hub, workshops, performances and mentoring to offer our network continuous professional development.

Teachers and students of the Royal Irish Academy of Music have the passion, the talent and the commitment to transform their professional vision into reality. You can help us achieve our goal of increasing access to music education by becoming a Friend of RIAM. If you share our passion for excellence and music and would like to play your part in nurturing that, then we hope you will join us as a Friend.

The Royal Irish Academy of Music is a recognised charity, CHY 1794. Following changes made by Revenue to Section 848A TCA 1997, in respect of donations made on or after 1 January 2013 by individuals (whether self-assessed or PAYE-only taxpayers) to an approved body, the body rather than to the donor may benefit from the tax relief if the donor chooses to opt out of any accruing benefits from the donation. The tax refund for donations from all donors regardless of their tax status (PAYE or Self-assessed) can now go to the charity in all cases at a blended rate of 31%.
